TAKE BACK SCHEME

Take Back Scheme

We at Tables For Business are committed to sustainability and responsible business practices. That's why we've launched our **Office Furniture Take Back Scheme**, offering a hassle-free way to dispose of your unwanted office furniture.

Our Take Back Scheme Offers:

- **Environmentally-friendly disposal:** We prioritize reusing and refurbishing furniture whenever possible. Items not suitable for reuse will be responsibly recycled to minimize landfill waste.
- **Convenience:** We handle the entire process, from initial collection to final disposal or refurbishment.
- **Cost-effectiveness:** Depending on the condition and type of furniture, there may be options for reimbursement or reduced disposal fees throughout our network of partners.

Who can participate?

This scheme is open to businesses and organizations looking to get rid of their old office furniture.

What furniture can be taken back?

We accept a wide range of office furniture, including:

- Workstations
- Chairs
- Filing Cabinets
- Tables
- Breakout Furniture

Conditions may apply. Please contact us for details on specific items.

How does the Take Back Scheme work?

1. **Contact Us:** Let us know you're interested in the program by calling 020 3865 5469 or emailing hello@tablesforbusiness.com
2. **Schedule a Pick-Up:** We'll arrange a convenient time for our team to collect your furniture.
3. **We Take Care of the Rest:** Our team will carefully remove the furniture from your premises and handle the disposal or refurbishment process.

Benefits of Participating:

- Reduce your environmental impact by keeping furniture out of landfills.
- Save money on disposal costs.
- Support a sustainable business model.
- Donate usable furniture to schools or charities

Let's work together to create a more sustainable future for our workplaces!
